**Access**

The main access to the Church Rooms is through the doors at the top of the flight of steps to the right of the Main Hall, as seen from the road. The door is protected by an electronic lock, which is activated by a keypad mounted on the wall at the right hand side of the doorway. The code of the keypad is changed weekly, and hirers should obtain the relevant four-digit code from the Parish Office during office hours from the Monday onwards in the week of their booking (The Parish Office is open from 9.30 am – 12.30 pm, Mondays to Fridays.)

The Hulbert Room has a separate entrance door, which can only be opened on a crush bar from the inside. Hirers must ensure that they or another responsible person attend suitably promptly to gain initial access through the Main Hall in order to provide access to all other persons who will be attending the booking.

Hirers should be aware that other rooms in the building may be let to other groups or used by the Church at the same time as their booking. Access will be discussed prior to the events.

Arrangements for access to the Church will be discussed at the time of booking.

**The James Chapel and the Chancel are places of worship only and are not permitted for use by the Hirer.**
