A weekend away is one of the highlights of the year! The Fuel (St. Mary's Youth) Weekend away is somewhere to make memories that last a lifetime. There will be exciting activities, plenty of food and non-stop fun as we enjoy Legge House near Swindon.

If you are secondary school age (years 7-13) then this really is the weekend for you! The weekend away is an amazing time to hang out with your friends and build new relationships. You certainly do not have to come to Church or even have been to Fuel before to join us on the weekend. Everyone is welcome and I mean everyone!

During the weekend there will be sessions with Christian content and discussion groups. The topic we are looking at is ROOTED, where we will explore the message and example Jesus left.

There is no organised transport and everyone will need to make their own arrangements. However, we will support attendees to organise lift sharing.

COMMUNICATION

There is phone signal and wifi at the centre. The weekend away is about building community and we ask that phones are only used during free time. We will send updates on the weekend via social media.

WHAT NEXT?
