Soul Survivor is many peoples favourite week of the year! Fuel (St. Mary's Youth) will be heading back to Peterborough for Week C. Last year there were café's, a huge bouncy obstacle course, games consoles, night time entertainment, music, great sessions and great food. We expect more of the same! However, this year is significant in that it will be the last Soul Survivor ever, so the last chance to enjoy all that is on offer.

If you are going into year 8, up to year 13 and anywhere in between then this really is for you! The week is an amazing time to hang out with your friends and build new relationships. You certainly do not have to come to Church or even have been to Fuel before to join us. Everyone is welcome and I mean everyone!

During the few days there will be sessions with Christian content.
