

Pentecost Prayer Bunting

You will need: pencil or pen; card or paper in red, orange and yellow (if you have those colours); scissors; glue; string or wool; stapler

Make a triangle template – take a square of card and fold it in half, then cut from the fold to the top corner and open it out. Use this to draw round on the paper/card for the bunting.

Write or draw your prayers on the triangles and staple them to the string; hang up the bunting.

You could add to the bunting with more prayers during the week.

Use these prayers to help you to pray each day.

As the wind catches your bunting, imagine the Holy Spirit moving.
